**Examples of preferred documents**

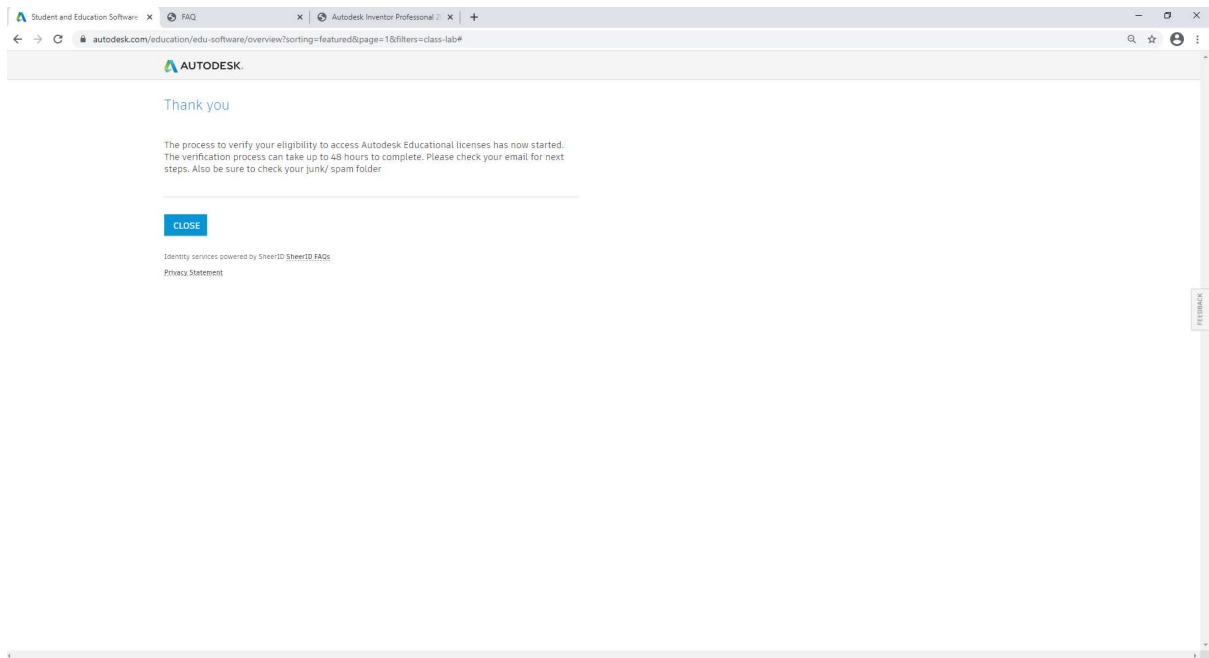

**School Transcript**  
Transcript with full name of student, school name, and date

**School-issued confirmation letter**  
School letterhead with full name of student or faculty member, school name, and date

**School ID**  
ID badge with full name of student or faculty member, school name, and date, photo not required

FEEDBACK

Step: -8 After 48 Hours your account will verify from Autodesk. After verified you can download and install any Autodesk product.

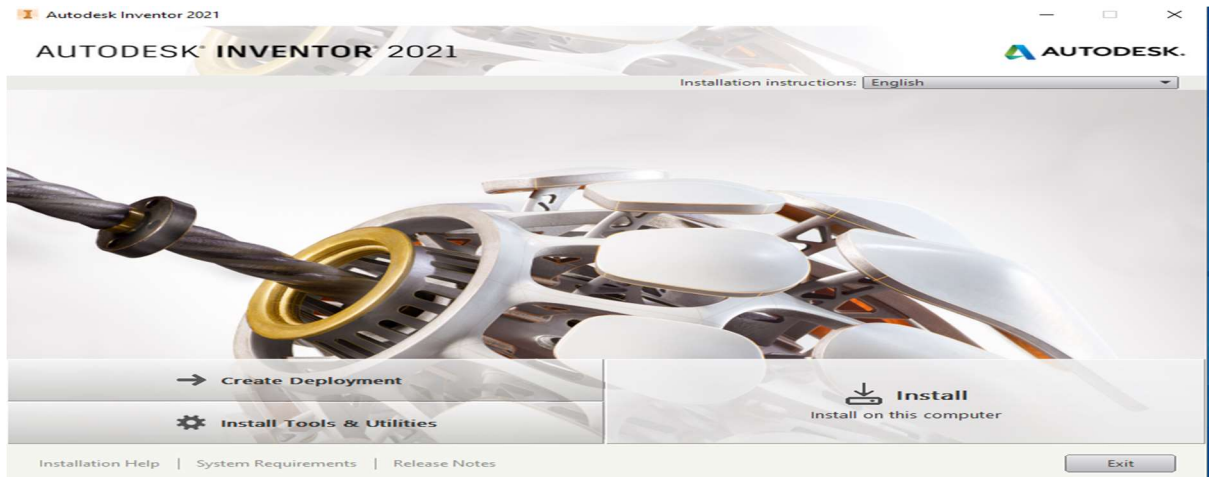

## How to install a Autodesk Product

### Installation guide for 2021 Autodesk Inventor Professional

1. Run the Autodesk 2021 “setup.exe”. Setup Initialization.

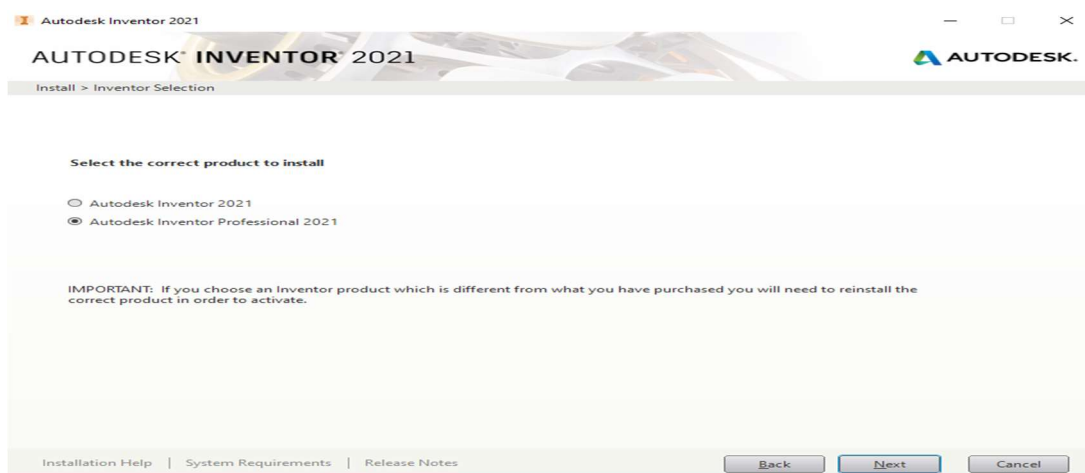

2. Click on the “Install” button.

3. Read the License Agreement carefully then select “I accept” button and Click on “Next” button.

4. Choose the “Autodesk Inverter Professional 2021” product to install and Click on “Next” button.

5. Select the Installation folder path from local drive. Choose the default folder path and Click on “Install” button.

6. Wait a several minute for the installation complete.

7. Installation is finished, and Click on “Finish” button.

8. Click on “Yes” button for restart system.

Setup

You must restart your system for the configuration changes to take effect. Click Yes to restart now or No if you plan to manually restart later.

Yes

No

9. Launch Autodesk Inventer 2021. And Select “Use a network license” option.

The dialog box is titled "Let's Get Started" and features the Autodesk Inventor Professional logo at the top left. It contains a "Sign in with your Autodesk ID" button with a user icon. Below this, under the heading "Other license types", there are two options: "Enter a serial number" and "Use a network license". Each option has a "Select" button. At the bottom right, there is a link that says "What's my license type? >".

10. “Specify a license server”. Select Single Licence Server model and Enter the Server IP Address is “172.31.1.12”

The dialog box is titled "Specify a license server" and features the Autodesk Inventor Professional logo at the top left. It contains a dropdown menu labeled "Select your license server model:" with "Single License Server" selected. Below this, there is a field labeled "Server Name ⓘ:" with the IP address "172.31.1.12" entered. A "Done" button is located at the bottom right.
